

**XVI IUPPS World Congress/XVI SAB Congress
Florianópolis, 4-10 September 2011**

**33rd UISPP Commission:
Tool function and socio-economical reconstructions of the past**

Dear Colleague

This is a remind letter to update about the 33rd UISPP Commission activity within the UISPP Congress which will be held in Florianópolis – Brazil, next 4th – 11th September.

The 33rd Commission is proposing *two occasions for discussion*:

- Session: *Traceology today: Methodological issues in the Old World and the Americas*

Coordinators: Estela MANSUR, Marcio ALONSO, Natalia SKAKUN and Laura LONGO

- Workshop: *Technological and functional approaches to osseous materials: a summary of the past decade*

Coordinators: Aline AVERBOUH and Yolaine MAIGROT

You are all very welcome to participate with papers, posters and as active discussant during the conference.

The Proceedings will be published in special issue of the BAR.

New deadlines

New deadlines for registration and abstract submission have been proposed by the UISPP secretariat:

- Final registration date is April, 30.
- Final date to send abstracts is May, 31.

Registration and abstract submission

For registration, please check the official websites of the XVI UISPP World Congress/Brazil:

www.xviuispp.webnode.com - www.xviuispp.ning.com
http://arqueoparque.com/d/c/XVI_CONGRESS_IUPPS_2011

When you register, remember to mention the session.

We kindly ask you to send your abstract both to the congress organization and to session coordinators:
