Facebook: Congreso Internacional de Arqueología Experimental

## **IV International Congress On Experimental Archaeology (Burgos -Spain)**

Experimenta (the Spanish Experimental Archaeology Association) is a non-profit association created, among other proposes, to organise international experimental archaeology conferences. Previous conferences were successively held in Santander-Cantabria (2005), Ronda- Granada (2008) and Banyoles-Girona (2011). The 2014 conference will be 8 - 11 May 2014, in Burgos, Spain, in the Museo de la Evolución Humana and Espacio Cultural Sierra de Atapuerca. This year's organisation is in the hands of:

- Experimenta (Asociación española de Arqueología Experimental).
- Museo de la Evolución Humana (Junta de Castilla y León).
- Universidad Autónoma de Madrid.
- EXARC

- Transport to go to the site and the Archaeological Park.
- Admission to the Museum of Human Evolution .

## **1<sup>st</sup> CALL FOR PAPERS**

The organisers call for papers, deadline 16 March 2014. Proposals must be sent to [congexperimentalarchaeology@gmail.com](mailto:congexperimentalarchaeology@gmail.com). There are three types of papers one can hand in: lectures, posters and experimental collections. To participate in the conference in any of these modalities (media, posters and collections) at least one author needs to register and pay the required fees.

### Lectures

Lectures should be maximum 10 minutes long and are preferred to be in English although Spanish and French are also accepted. The Powerpoint, slides or Prezi should either be in English only or in English and Spanish.

Your proposal should include the title of the lecture, the authors and their affiliation and a summary in Spanish or English 300 words.

### Posters

The poster session will be on Thursday, 8 May, 18:30h to 20:30h. Every poster requires at least one of the authors to be present and discuss its contents with the conference participants. Posters are accepted in Spanish, English and French and should measure A1 size, vertical format (841 wide x 594 high), resolution JPG / TIF format 300dpi.

Your proposal should include the title of the poster, the authors and their affiliation and a summary in Spanish or English of maximum 300 words.

### Experimental collections

The experimental meeting session is like “live posters” and will be on Thursday, 8 May, 18:30h - 20:30h. Every theme requires one of the authors to be present and discuss its contents with the conference participants.

Your proposal should include the title of the experimental meeting, the authors and their affiliation and a summary in Spanish or English of 300 words. One general result of the photo collection, 5 photos of detailed results of the collection and 5 photos of the experiment. Each photo should be titled and numbered.

Please contact us with any questions at [congexperimentalarchaeology@gmail.com](mailto:congexperimentalarchaeology@gmail.com).

## **ASSISTANTS**

College students, alumni , professors, archaeologists , museum professionals and disclosure , anyone interested in the study of archeology as a listener who wants to participate without presenting research.

## **RATES**

Students and unemployed people € 20

Professors, researchers and other employees € 40

## **PAYMENT**

Bank transfer before 13 April.

Bank: La Caixa

IBAN / BIC ES15 2100 0414 6101 0003 5416 / CAIXESBBXXX

Concept Name 1st 2nd Last Name

Send copy of payment receipt to pdf or jpg [congexperimentalarchaeology@gmail.com](mailto:congexperimentalarchaeology@gmail.com)

## ENTITLED TO REGISTRATION

- To participate in the conference as an assistant at the 4th International Congress of Experimental Archaeology (Burgos, 2014)
- Desk document summaries of communications , posters and experimental collections of the 4th International Congress of Experimental Archaeology (Burgos , 2014) . It was presented during the congress.
- Desk book of Acts of the 4th International Congress of Experimental Archaeology (Burgos , 2014) . Granted after the work is evaluated by the scientific committee.
- Membership in Spanish Experience Experimental Archaeology Association from May 1, 2014 until December 31, 2015

## SESSION

1) Technical and technological experimentation and analysis on archaeological stones, organic materials, ceramics, metallurgy. Other materials. Socio- economical interpretations.

2) Taphonomic traceológica and Experimentation . Socioeconomic interpretations. Archaeological experimentation by means of use wear analysis and taphonomy. Socio-economical interpretations.

3) Experimentation architectural and productive. Archaeological experimentation in the field of (building) architecture and productivity of labor.

4) Experiences and experiments in Teaching and assessment of heritage . Experience and experiment in learning & teaching and heritage interpretation.

5 ) Experiences and experiments : practical sessions. Experience and experiment in archeology : Demonstrations and workshops .

## CALENDAR

**Submission of proposals** From 1 February to 16 March

To participate in a communication , posters or experimental collection should be sent to [congexperimentalarchaeology@gmail.com](mailto:congexperimentalarchaeology@gmail.com)

Title

Authors and affiliation

Summary Castilian and English 300 words

**Evaluation of proposals** March 17 to March 23

**Answer given** March 24 to March 30

**Registration** February 1 to April 13

## **ORGANIZING COMMITTEE**
