

Valcamonica

Rock Art Field School & Fieldwork 2020

Paspardo, Lombardy - Italy

July 16 - August 6, 2020

The Valcamonica Rock Art Field School is a great opportunity to participate in the archaeological research in Valcamonica. This alpine valley boasts one of the most important rock art traditions in the world and the first Italian site incorporated onto the UNESCO World Heritage List.

Learn with us the skills of preparing surveys, photographs, tracings, 3D models, drawings and catalogues while contributing to the research.

Join us at the Valcamonica Rock Art Field School 2020!

For further information please contact: prof. Angelo E. Fossati
(The Footsteps of Men Archaeological Society - Cerveno -
& Catholic University of the Sacred Heart - Italy)
