12th IAPP – NEW DISCOVERIES AND PROGRESS IN THE TRACING AND ANALYSIS METHODOLOGIES OF THE POST- PALAEOOLITHIC ROCK ART IN ITALY

12th Annual Meeting of Prehistory and Protohistory – 2nd Circular

Museo Civico Archeologico di Camaiore (Lucca)

May 19, 2023

NEW DISCOVERIES AND PROGRESS IN THE TRACING AND ANALYSIS METHODOLOGIES OF THE POST- PALAEOOLITHIC ROCK ART IN ITALY

We inform that the deadline to submit abstract proposals for the meeting is postponed to January 22, 2023.

The e-mail address where to send your contribution is: iapp.arterupestre2023@gmail.com.

We remind that the meeting will be structured into two main sessions: 1) novelties about the rock art of the Italian peninsula and islands; 2) documentation and analysis methodologies of the rock art.

Each contribution must include: title; abstract, both in Italian and English, (length 4,000-5,000 characters max., including bibliography); two figures max. (resolution 300-600 dpi); 5 key-words max.; list of authors with their affiliation and indication of the corresponding author.

A poster session is planned.

Organising Committee: Renata Grifoni Cremonesi, Dario Sigari, Anna Maria Tosatti.
